INTERIM PLACEMENT REPORT 2015 - 2016

The final placement and summer internship process for batches graduating in 2016 and 2017 is in progress and the campus is expected to complete another year of successful placements.

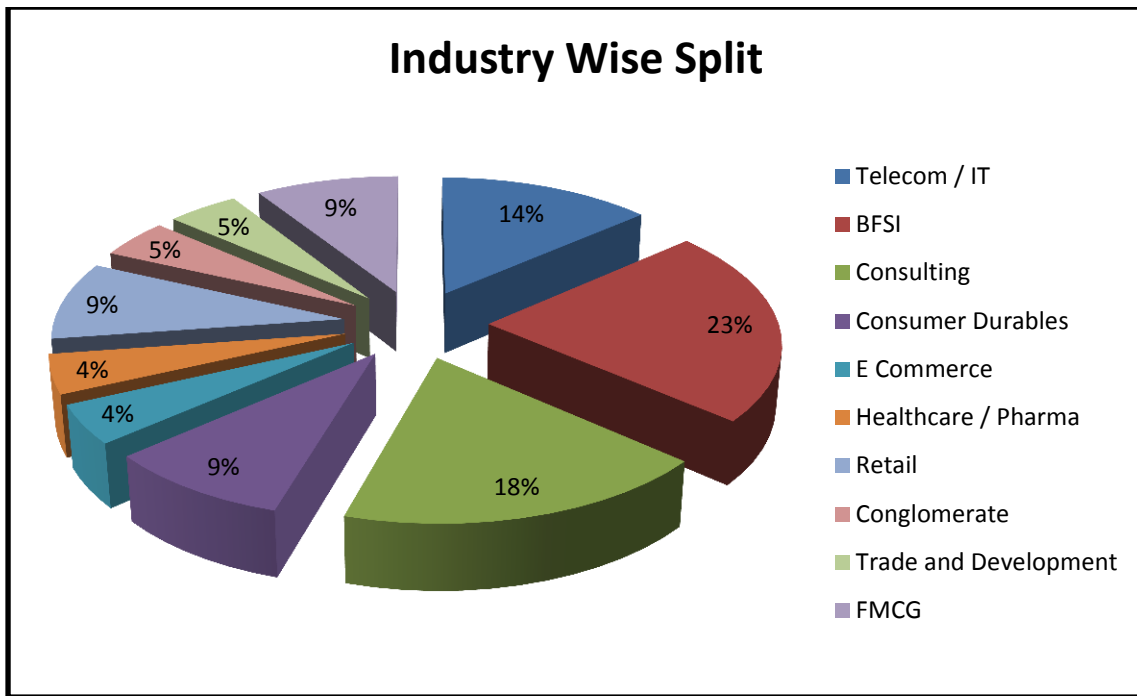

Over the years, the campus has established a strong relationship with many reputed companies that have visited the campus and made offers to our students.

In the current year around 80% of the XVI Batch (2014-16) has already been placed and with placements still going on we are confident that we would close the placement season on a very strong note.

Out of a batch of 50 students, which would be graduating in 2016 around 24% were given PPI/PPO offers. This reinforces the strong brand image associated with GBO, SRCC.
