[Mr. Arpit Nahata](#)

Senior Finance Business Partner - BT GROUP | Ex-GAIL

About Speaker:

- Mr. Arpit Nahata, CA and an alumnus of ISB, Hyderabad is currently working at BT Group as a Senior Finance Business Partner.
- He brings diverse experience from his previous roles as a Deputy Manager at GAIL India Limited in Finance and Accounts Division and as Portfolio Manager at Jaypee Commodities.
- Mr. Nahata has over 16 years built a well rounded and results driven finance career spanning pricing, strategic cost leadership, taxation, treasury and financial planning.

Committee Tasks:

- Provided a warm welcome to the guest speaker, ensured he felt comfortable and engaging throughout the session.
- Created a post for Instagram and LinkedIn highlighting the lecture.
- Ensured stable connections and a disturbance-free environment throughout the session.

Lecture Insights:

- Mr. Arpit Nahata shared insights on why budgeting and forecasting are not just financial tools but strategic enablers of foresight and decision making.
- The session emphasized the importance of building a strong foundation in AI and digital literacy, analytical thinking and data story telling to turn insights into impact.
- Mr. Nahata illustrated on importance of KPI's to assess performance and benchmark against competition and how finance acts as a catalyst for transformation and growth.
- A key takeaway was always be a story teller and anticipate the change, not react to it and work collaboratively.
